

Your Name:

Feeding Eels

Eels E, F, G and H in the zoo are to be fed according to their length.

E  5 cm eel

F  10 cm eel

G  15 cm eel

H  25 cm eel

1. If eel E gets 2 teaspoons of a vitamin mix, how much do eel F and G get?

2. If eel F gets 12 teaspoons of fish food, how much does eel G get?

3. If eel G gets 9 teaspoons of frog mash, how much does eel H get?

4. If eel H gets 10 teaspoons of shellfish mash, how much does eel F get?

Extra questions:

5. Two extra eels, J and K, are 12 cm long and 23 cm long respectively. If eel K is fed 5 teaspoons of protein enhancement, how much does eel J get?

6. Two extra eels, L and M, are 13.5 cm long and 21.2 cm long respectively. If eel M is fed 5.73 teaspoons of protein enhancement, how much does eel L get?
